

Tiny Actions. Big Impact.

The Little Big Pledge

A beautiful village makes a strong community. In order to present the best possible image of Ossining, its streets and storefronts must be kept clean. The smallest actions can lead to a big impact when everyone does their part to keep streets clean. Awareness is the first step to keep Ossining beautiful. Take the below pledge, share it with your friends and neighbors to show your commitment to the Village of Ossining.

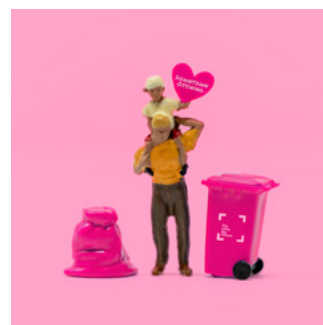

I Pledge:

Not to litter anytime, anywhere.

To remove litter from my property and street because I understand litter attracts more litter.

To encourage others to do the same.
